character of the institution in part.
It must however be borne in mind
that similar institutions elsewhere carry
the dignity of the more high sounding
title and in the interests of the popularity
of the institution we may have also to
follow suit. It appears the opinion
of the managing committee will also be
invited on this point.

To,

Sir,

I have the honor to state that the present Head Pandit of the Ayurvedic College, Mysore, Mr. S. Venkoba Rao proposes that his designation of 'Head Pandit' may be changed to "Principal". On consulting the Members of the Committee of Management, the majority of them are of opinion that the present designation is not quite appropriate and some such designation as the one proposed may be used. But the District Medical Officer is emphatically of the opinion - that the designation is an appropriate one and that there is no necessity for a change at present. It appears to me that for an - officer with the status and qualifications of Mr. S. Venkoba Rao - the term 'Principal' may perhaps be too high sounding. I would - therefore suggest that the present designation may be changed into that of 'Head Master' which is sufficiently ~~descriptive~~ descriptive of Mr. Venkoba Rao's functions.

I have the honor to be,
Sir,

Your most obedient servant,

Muzrai Superintendent.

FILE NO. 191-12

SIR,

With reference to your letter No. 2271/M. F. 631-12-2 dated 29th May 1913 regarding the change of designation of the Ayurvedic College, Mysore, I have the honor to state that the Members of the College Committee are unanimously of opinion that no change of the name of the Institution need be made.

2. As regards the change in the designation of the Head of the Institution, while one Member (Mr. V. N. Narasimha Iyengar) is not for any change at all, the other Members consider that the designation may be changed to "Head Master" which is not necessarily incongruous with the name of the institution of which he is the head. I am of opinion that no change in the designation of the Institution seems called for, but that the designation of "Head Pandit" may be changed to "Head Master" as originally recommended by me.

3. The connected papers are submitted herewith for reference and kind return.

I have the honor to be,

Sir,
